PROFESSIONALISM AND EXPERTISE TO MEET YOUR SPECIFIC REQUIREMENTS

**For every  
business sector,  
skilled and experienced  
men and women**

Engineering consultants and experts at the heart of a responsive network.

Turnover in excess of 100 million euros

Our companies are dedicated to international projects

100 percent financially, legally and organisationally independent.

More than 900 employees throughout the world

*Developing and managing the project, coordinating construction, supervising assembly, running tests, launching the project, overseeing maintenance, ensuring safety...  
The team of managers, engineers and technicians of MPH Group bring together skills and experience to respond to your every need.  
Recognized across the globe for their adaptability, reactivity and availability, our current personnel may be mobilized rapidly for the various projects in band worldwide.*
